OBJECTIVE

Creative and detail-oriented aspiring UX/UI Designer with internship experience designing intuitive, user-centered digital products. Skilled in using Figma for wireframing and prototyping, with a basic understanding of front-end development. Passionate about solving real user problems through research-driven design and collaborating closely with teams. Actively seeking an entry-level role where I can grow professionally and contribute to impactful design projects.

EDUCATION

Systems Plus Computer College   **E.Rodriguez, Cubao, Q.C.**
